

ADEN PORTS DEVELOPMENT COMPANY

Moving Yemen's Economy

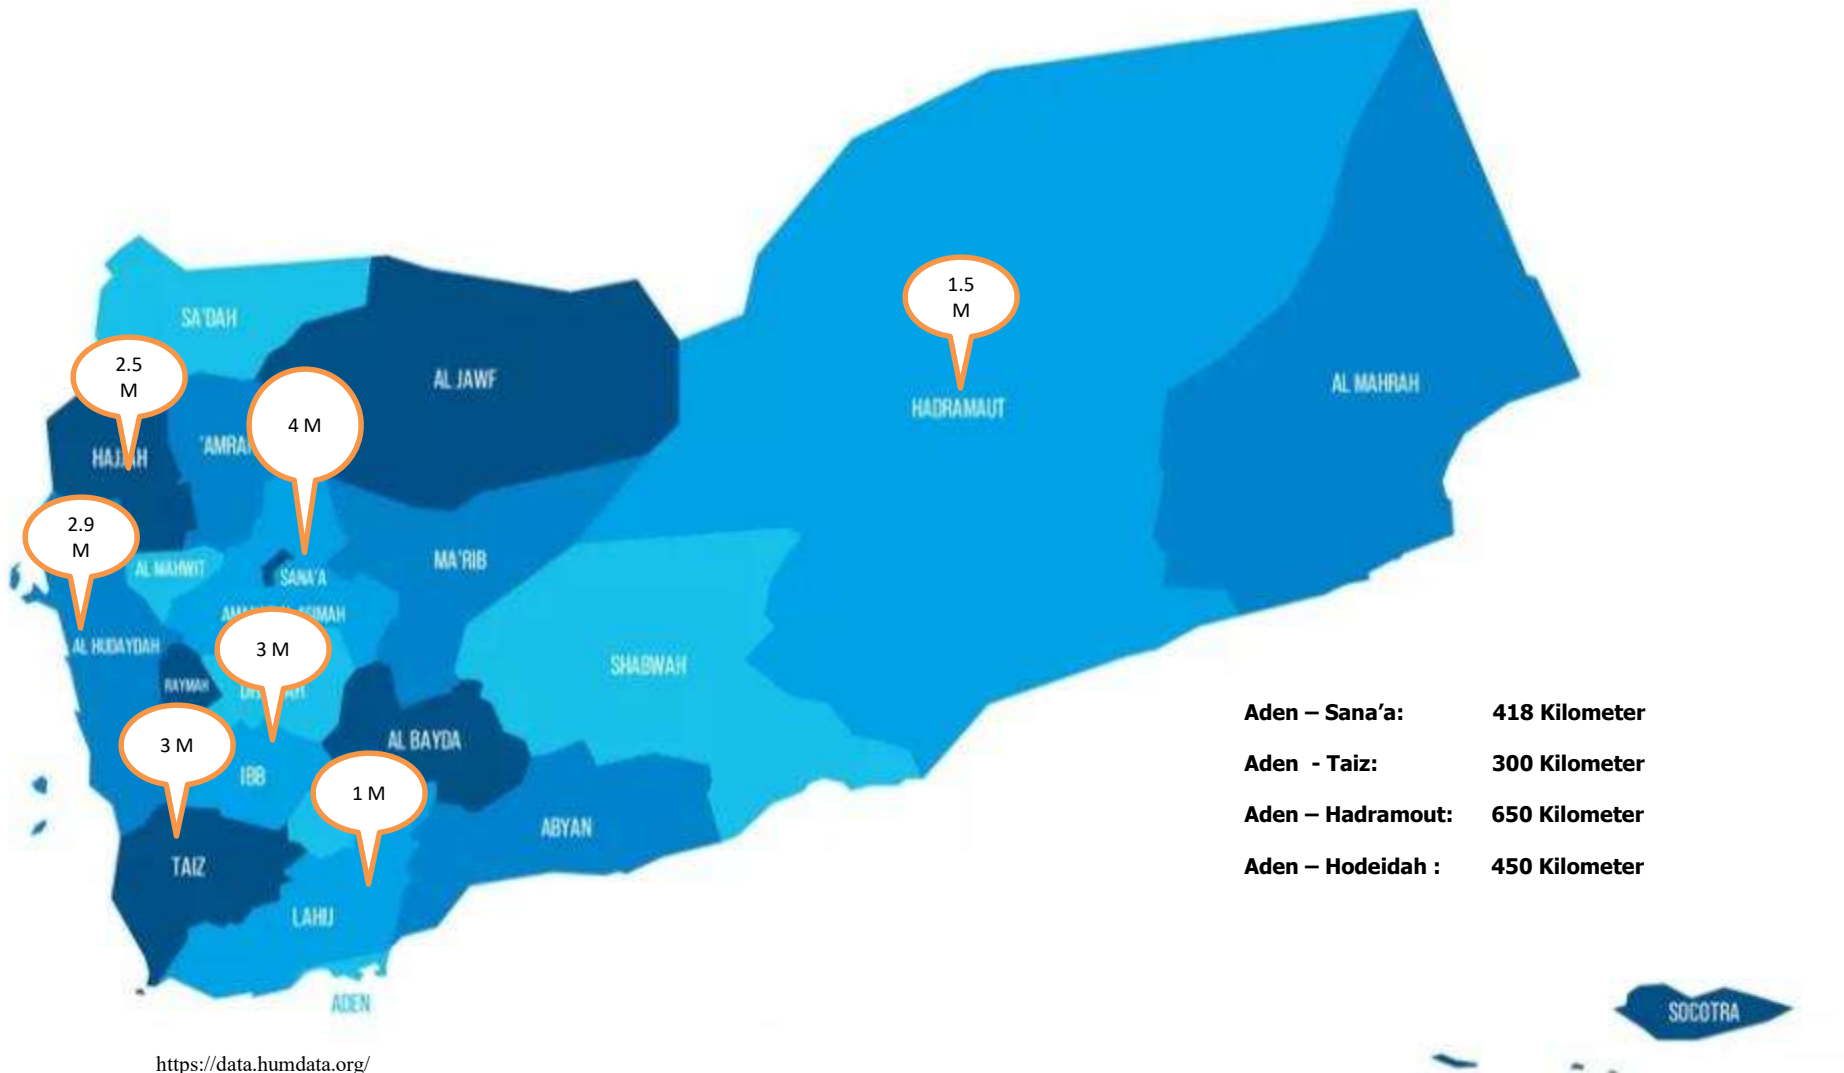

WELCOME TO Aden Container Terminal

Aden Ports Development Company is leading enabler for Yemen's sea trade and Yemen's Gate Way.

Aden Container Terminal is the Yemen's Sea Gateway and its Life Pipeline, since the 2015 ACT is the main sea gate for the flow of the Yemen's imports and exports.

Import shipments occupied 95% of the total ACT activities. the import cargoes through ACT are mainly food stuff and medicine.

ACT has inaugurated in 1999, since then ACT activities has faced a lot of challenges till ACT has become the reliable service point for Yemeni importers and Exporters.
